

This privacy policy reflects the ways we (Welldone Games) are handling personal information, is addressed to the end-users of our application Hungry Jump and displayed on our web-site [www.welldone.games](http://www.welldone.games)

## **What kind of information we gather?**

We collect information about installation of Hungry Jump on your device (like time, date, IP-address). Then we keep the unique ID of your device, if your device submits it during installation according to your consent.

## **How do we use this information?**

We process the statistics of downloads in an anonymous way to improve our game and make it even better.

## **How do we store this information?**

All collected information is stored on Google, Facebook or another industry service provider's servers in accordance with their policies and accessed via secure connections.

## **How do we share this information?**

We just don't. We do not provide access to our data to the third parties or any other databases.

## **Miscellaneous**

This policy may be updated from time to time. Latest version will be posted on our site. Should you have any questions regarding your personal information, please contact us by e-mail: [support@welldone.games](mailto:support@welldone.games)
